Kim's Work

Didn't Work

Julia	Carla	Luis	
$1.70	$1.70	$1.70	O 10
$1.60	$1.60	$1.60	R 0

Worked

Julia	Carla	Luis	
$1.65	$1.65	$1.65	5R
$1.66	$1.66	$1.66	2R

$1.66 R2 / $1.66 and 2¢ remaining to give to charity or something like that.
I found my remainder by fidgeting around in my head, finding the answer and
figuring out there's some remaining and I added $1.66 3 times and 2 remained.

$1.66 × 3 = $4.98
It gave me $4.98 and I knew $4.98 + 2 = $5.00 so, there was
2 remaining.
