

Name \_\_\_\_\_

Date \_\_\_\_\_

**I Time 1**

1. What is the time now?
2. What time will it be 20 minutes from now?
3. What time will it be  $1\frac{1}{2}$  hours from now?

**J Variables and Values**

Mrs. Dewey's class will investigate the variables listed below during a field trip to a baseball game. Decide if each variable is numerical or categorical. Then, name three possible values for each variable.

Variable	Numerical or Categorical	Three Possible Values
Number of Seats in Each Row		
Type of Shoe		
Kind of Drink		
Size of Drink		
Type of Food		
Type of Shirt		
Class Size
