

G Skip Counting

1. Start on 5 and skip count by 5s on the calculator for 15 seconds.
2. Start on 10 and skip count by 10s on the calculator for 15 seconds. How far did you get?

H Mother's Day

Grace bought 40 pieces of candy for her mother. She bought a rectangular box that had a little compartment for each piece.

1. Fill in the circle next to the choice that could describe Grace's box.
 - A. A box with 6 rows with 7 spaces in each row.
 - B. A box with 2 rows with 5 spaces in each row, 2 rows with 7 spaces in each row, 2 rows with 8 spaces in each row.
 - C. A box with 3 rows with 13 spaces in each row.
 - D. A box with 8 rows with 5 spaces in each row.
2. Draw a picture and write a number sentence to show your answer is correct.
