

Homework

1. Rhonda solved a subtraction problem. Then she added her answer and the number she subtracted. She knew she made a mistake. How did she know that?

$$\begin{array}{r} 784 \\ - 593 \\ \hline 211 \text{ Answer} \\ \hline 794 \text{ Check} \end{array}$$

2. Rhonda solved another problem. She checked it with addition. Was her answer correct? How do you know?

$$\begin{array}{r} 4086 \\ - 862 \\ \hline 3224 \text{ Answer} \\ \hline 4086 \text{ Check} \end{array}$$
