## Part 4 Numbers in the News

Keenya and Nicholas found the following numbers in the newspaper. Write the numbers in order from smallest to largest in the following place value chart. Use the Writing Numbers in Words page in the Student Guide Reference section.

$$
\begin{array}{rrrl}
4,130,243 & 7,931,435 & 39,905 & 793,027 \\
4,613,378 & 9835 & 42,319
\end{array}
$$

| Millions |  |  | Thousands |  |  | Ones |  |  |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |

Write the smallest number in words.

Write the largest number in words.
