## **Z** Who Am I?

Each question is a new riddle. Write a number sentence to match your☐ answer.

1. I am three less than five squared.

2. I am ten times the sum of two and eight.

3. I am half the difference of ten and four.

4. If you subtract the product of four and three from the sum of eleven and four, you will know who I am.

5. Make up your own riddle to share.
