

Check-In: Questions 45–46

- 45.** Julia played Fraction Fill 3. Find an equivalent fraction for each of her spins. Draw a picture to represent that equivalent fraction. The red circle is the unit whole.

Spin	Equivalent Fraction	Representation
A. $\frac{1}{3}$	$\frac{\square}{\square}$	
B. $\frac{4}{6}$	$\frac{\square}{3}$	
C. $\frac{6}{10}$	$\frac{3}{\square}$	
D. $\frac{9}{12}$	$\frac{\square}{8}$	

- E.** Show or tell how you found an equivalent fraction in Question 45D.
