Finding Equivalent Fractions and Ratios

✓ Self-Check

Use *Self-Check: Questions 1–3* in the *Student Guide* and the questions in the Workshop Menu to review your progress with fractions and ratios.

- Look at each row in the table.
- For each row, decide whether you are "Working On It," you are "Getting It," or you already "Got It."
- Remember, you may feel you are "Working On It" for one row, but for another row, you have already "Got It."
- On this table, choose the set of problems you decide to do.
- If one set of problems seems too easy or too hard, choose a different set from the same row.

Workshop Menu			
Can I Do This?	**▲ Working On It!** I could use some extra help. *Frank*	**● Getting It!** I just need some more practice. *Jackie*	**■ Got It!** I'm ready for a challenge. *Tanya*
