S Decorating the House

Jackie wants to cut rectangles from material to make rugs for her miniature doll house. She measures the living room and family room floors. Her measurements are listed below. Find the area of the floor in each of these rooms.

Living room: 7 cm by 8 cm

Family room: 7 cm by 6 cm

T Let's Practice

1. Solve the following problems using paper and pencil or mental math. Estimate to make sure your answers are reasonable.

   A. $18 \times 63 =$

   B. $565 + 739 =$

   C. $2706 - 1187 =$

   D. $37 \times 29 =$

   E. $51700 \div 50 =$

2. Explain how you know your answer to Question 1D is reasonable.

3. List the answers in order from smallest to largest.
