

**PP Shopping Bags**

Nila and her mom went to the market. They have 2 shopping bags. Each bag can carry only 6 pounds of goods. Here is a list of the things Nila's mom bought.

Item	
Laundry Soap	2 pounds 12 ounces
Apples	2 pounds 8 ounces
Pineapple	3 pounds 4 ounces
Paper towels	10 ounces
Lunch meat	1 pound
A loaf of bread	1 pound 4 ounces

Nila placed the laundry soap in one bag and the apples in the other.

1. Divide the other items between the two bags so the items in each bag weigh less than 6 pounds. Write the items in the shopping bag.

2. A. What is the weight of the items in Bag #1?  
Show how you decided.  
  
B. What is the weight of the items in Bag #2?  
Show how you solved this.
