

Part 2 **Going to the Theater**

Arti and Lin helped collect tickets at Arti's mother's theater. Tickets for the play are \$14 for adults and \$9 for students. Adult theater members get a discount and only have to pay half-price (\$7).

Number of Tickets in Each Category

Performance	Adult Tickets (full price)	Student Tickets	Adult Member Tickets
Friday	97	15	13
Saturday	103	21	20
Sunday	82	43	5

1. How many people attended each performance of the play?
2. Find the amount of money collected for each performance.
3. How many more adults than students saw the play?
