

Gluing It Down

You will need glue, scissors, and string to complete this page. Cut several pieces of string that are the same length as the diameter of the circle below. Glue or tape the pieces of string around the circumference of the circle.

1. How many diameters are needed to fit around the circumference?
2. Lin did this activity with a smaller circle. She cut several pieces of string the length of the diameter of a smaller circle and glued them around the circumference of the smaller circle. How many pieces of string did Lin glue around her circle?
